What is the Bayside Community Hall?

A Community

We welcome individuals from all of Humboldt county. Our members are of all ages and backgrounds, and come to the hall for many reasons: to promote education, health & fitness, small family farming, historic preservation, emergency preparedness, and other community-building activities.

A Sponsor of Events & Activities

We sponsor quarterly swing dances and community breakfasts. We host Zumba classes, a painters group and a music group called Bandemonium.

We host an annual holiday Makers Fair and an Electric Vehicle Show. We are always looking for new groups and activities that engage our community.

An Historic Building

Constructed in 1940 by the Bayside Grange (a fraternal organization supporting family farmers), our hall maintains its original grange features and is on the California Register of historic buildings.

An Affordable Events Venue

With affordable hourly and daily rates, discounts for non-profit and youth events, the best dance floor in the county, a stage and a huge kitchen and meeting area, the Bayside Community Hall hosts everything from weddings to dances, school plays to fundraisers. Renting our Hall for events fosters local community life and raises vital funds to maintain our building.

The Bayside Community Hall maintains an affiliation with the California Guild, a statewide advocacy organization that supports and advocates for healthy communities, family farms, local economies, cultural diversity, public schools and education, the arts, and a variety of charitable causes. Individuals may elect to become members of the California Guild through the Hall's affiliation. Membership dues to the California Guild go directly to the statewide organization to support broad causes and are not tax deductible. For more information visit www.caguild.org.
